

PRODUCT INFORMATION

PETROMARK® 10250 MULTI CLEANER FOAM

PETROMARK® 10250 MULTI CLEANER FOAM is a water-based cleaning foam for fabric, vinyl, leather and plastic upholstery. This cleaning product removes stains and brightens up colours. Removes oil, grease, wax, etc. rapidly. Spray to the surface from a distance of 30-40 cm. Allow 5 minutes for the foam to get absorbed. In case of heavy fouling use a brush or sponge to rub in. Use a clean cloth to rub off and dry out.
